C of C luncheon tomorrow kicks off drive for passage of city bonds

"Backfield" from citizens group presents program

It will be kickoff time tomorrow (Thursday) at the Chamber of Commerce first monthly luncheon meeting of the fall season.

Key members of Campbell Citizens for Progress at the meeting will launch their drive for the successful passage of the $3.6 million city capital improvement bond issue on Oct. 24.

The luncheon will be held at Villa Felice when a "backfield" composed of Dale Scott, Pete Giorgianni, Ralph Weymouth, Henry Cary and John Morgan under "Coach" Don Hebard, general chairman of Campbell Citizens for Progress, will carry the ball.

BACKFIELD

All of the "backfield" are members of the citizens bond campaign group. All also were members of the Citizens Advisory Committee which recommended the capital improvement bond issue for the city after a six weeks intensive study in which more than 60 citizens took an active part.

Norman Paul, who heads the public information sub-committee for the citizens group, is the coordinator of the program for tomorrow.

General Chairman Hebard will MC the program and each member of his "backfield" will briefly touch on a particular phase of the bond issue.

Scott, a Campbell resident, is executive director of the Santa Clara County Taxpayers Association. He headed the finance subcommittee of the study committee which specified that a $3.2 million bond issue ceiling, exclusive of the library bonds, was both practical and economical. Scott now heads the community relations sub-committee for

On the ball that Hebard is handing off to Paul is the inscription, "Build Campbell, vote Yes Oct. 24."

Campbell city residents to get free trash pickup service on Friday, Oct. 6

Residents within the city limits of Campbell will have the opportunity on Friday, Oct. 6, to rid their places of accumulated trash and rubbish without charge.

Fire Chief George Maxwell reported this week that the Green Valley Disposal Co. will conduct its free fall trash pickup service for Campbell residents on that date.

Chief Maxwell explained that to take advantage of this "extra" service, residents must comply with some basic rules.

All debris, he pointed out, must be placed on the curb in front of each residence before 7 a. m. on Friday, Oct. 6. (If the property has access to an alley which is used for regular pickup, trash and debris should be placed in that location.)

All debris must be placed in boxes or metal containers that are light enough for one man to carry. Trimmings must be bundled in four-foot lengths.

The fire chief also added that items such as furniture, appliances, boxes of dirt or rocks will not be picked up.

The service only applies to those who live within the city limits of Campbell and only those customers of Green Valley Disposal Co. who are in good standing will be able to use the service.

Green Valley Disposal Co. (formerly Los Gatos Scavenger Co.) as part of its franchise agreement with the City of Campbell conducts two free pickup services each year, one in the spring and one in the fall.

The fire department has always cooperated with the disposal company because, as Chief Maxwell emphasizes, the elimination of rubbish and debris cuts down on the fire hazards around the homes. It has become a part of this city's annaul cleanup crusade, he added.

BIG DEAL--Bob Bullard (right), local C.P.A. and treasurer of the Campbell Chamber of Commerce, used a king-size "big deal" pen to write out the $300 check from the C. of C. to help the Campbell Citizens for Progress in the drive for passage of the $3.6 million city bond issue on Oct. 24. That's a pleased Oleg Lubeckis, of the citizens finance committee, on the receiving end.

IS school growth leveling off?

Indications that perhaps that long-awaited "leveling off period" in growth for the area was revealed in the enrollment figures for the kindergarten classes of the Campbell Union (elementary) District.

According to Neal Royer, district superintendent, there are 100 less pupils in the kindergarten classes this year than last year at this time.

Enrollment for the entire district was up by only 61 students from last year's opening day figure. While

Council seeks housing answer

How the City of Campbell is to proceed in the future in its relations with the County Housing Authority in the lease-subsidy program financed by the federal government could be determined next Monday, Sept. 25, at the City Council meeting.

On the agenda for next Monday's meeting will be a report and recommendation from City Manager Bob Stephens on the controversial housing subject.

Stephens was directed by the City Council to prepare the report after an emotionally-charged meeting last month that was attended by a large crowd from sub-standard housing areas in the community.

The council had been asked to pass a resolution authorizing the County Housing Authority to operate within the city limits. A 4-1 majority of the council members, despite the pleas from the audience for immediate action, felt that more information was needed before a "blanket acceptance" was given the program. Councilman Charles Rose opposed the council's delay.

Stephens was also directed to investigate the possibilities of this city operating its own housing authority or modifying any agreement with the authority to allow for more city control.

Under the proposed housing program, the county authority would lease existing housing units from private owners and then re-rent them to low-income tenants. The council members felt the city should have some control in this matter, as any problems that would develop would come to them for solution.

Subsequently it was determined that it was not practical for Campbell to operate its own housing authority.

In his report to the council next Monday, Stephens is expected to recommend that a two-member City Council committee be appointed to continue to explore all the ramifications of the housing problem.

In addition, Stephens

First "park-for-pay" lot gets planners approval

Without a dissenting vote the Planning Commission on Monday approved plans for the first "park-for-pay" public parking facility in Campbell.

The parking lot in which there will be spaces for 34 cars will be located at the northwest corner of S. Fourth St. and Sanford, just off Campbell Ave. and across from West Valley College.

The application for the parking facility was submitted by R. V. Gant of Valley Dale Construction Co.

Tentative plans of the owner, according to the city's planning department, call for leasing spaces to the several stores that face Campbell Ave. and are limited in their parking accommodations.

This will mark the first time in this city's history that a strictly income-producing parking lot has been developed.

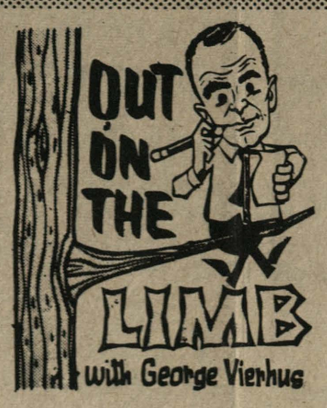
The commissioners also approved plans for an industrial building at 861 McGlincey Lane submitted by Robert Dodge and plans for seven four-unit apartment buildings to be located in the "200" block on Hollis, Echo and Adler avenues. The plans were submitted by Ray Kanawyer. The apartments are of the same design and construction as had been approved previously for 12 other lots within the same tract.

Approval was also given the plans submitted by Quattuor Investments for a restaurant and bar on property on Hacienda Ave. off Winchester. The applicants originally received approval for a billiard parlor at the same location but had resubmitted plans for a restaurant and bar. Under city ordinance, only one billiard table is allowed in a bar.

In another action, the commission unanimously denied the appeal of Leo Rotondo from the ruling of Dick Hogan, planning director, with respect to non-conforming signs at the Hudson service station at Winchester Blvd. and Rosemary

(Continued on Page 2)

FIRST TIME--On Monday night the Planning Commission approved plans for a 34-space public parking lot that will be located at S. Fourth and Sanford. The plans were submitted by R. V. Gant of Valley Dale Construction Co. Spaces are planned to be leased to stores fronting on Campbell Ave. and it will be the first public parking lot built strictly as an income-producing venture in the city's history.



TRAFFIC on Campbell Ave. in the "downtown core" always picks up tempo when school starts.

This is especially noticeable, of course, since West Valley College set up its "temporary" stand at Winchester and Campbell avenues.

But, as far as traffic is concerned on that much maligned portion of the street, it is bad any time in our book, especially when one is trying to get onto it from a side street.

Don't mention this, please, to Police Chief John Morgan's efficient crew but we think we break the law every time we make a left turn onto Campbell Ave. from First, Second or Third streets..

And, quite frankly, we don't know what to do about it.

It will make us feel a little better, if there are others who feel as frustrated as we do when making a left turn.

Otherwise we certainly will be concerned when we apply for a renewal of our driver's license.

-0-

ANYWAY what has bothered us for quite a spell is how far we have to nose out from the side streets mentioned to see if it is safe before making a left turn onto Campbell Ave.

If there is a big van or panel truck parked on Campbell Ave. it makes the view down the street that much more obscure. This, of course, makes the dart into the traffic flow that much more of a challenge.

There have been occasions, however, when those barrelling along on Campbell Ave. apparently have taken a dim view of what we consider a "challenge".

We are not noted for our lip-reading ability. But somehow "challenge" doesn't seem to fit what some of the motorists apparently were muttering when we scooted out just ahead of 'em.

-0-

WHATEVER WE do seems wrong, when we are parked on those side streets waiting for the "traffic break" that seems to come less and less frequently.

If we park BEHIND the cross-walk, as we know we are supposed to, on those side streets, there is no way to see down the street.

We could stay there forever. And that's too long to be parked on any street in Campbell.

If we push across the crosswalk too far, we are apt to be bumped by oncoming traffic. And that's not good either.

If we make a miscalculation (intentionally or unintentionally) on distance (or sort of gamble that the oncoming guy will slow down), and scoot out too soon, one's ears could burn from the unheard comments made by the other driver. His brakes could also burn, too.

We know there is no solution to our problems. The increased traffic on Campbell Ave. just compounds it, that's all.

Anyway, we sincerely hope others are bothered in the same man-

Editorial

Why a bond issue

The City of Campbell incorporated in 1952 because the majority of the electorate voting in that election preferred to have a City identified with the Campbell area which could provide basic municipal services to its people.

Since its incorporation, the City has credited itself well with its outstanding police and fire departments. Public safety in Campbell has been assured by these two departments.

The Public Works Department has made many improvements to the City's major streets and storm drainage systems. The maintenance division has streamlined its operation to provide a more efficient maintenance program for the City's streets and public areas, storm drains, parks and street trees, traffic signs and safety, and city equipment and vehicles.

In 1958, the Campbell electorate approved a $658,000 bond issue for major streets, and a year later a bond issue of $894,000 was approved for major storm drain lines. All of the street bond projects have been completed, and at the end of the current fiscal year there will be only a remaining balance of $80,000 in the Storm Bond Fund which will not have been expended on approved projects.

A growing city, like an expanding business or a wage earning family, must occasionally borrow monies to pay for land and the construction of buildings. An approved bond issue assures the present City property owners that the future property owner in Campbell will help pay for facilities which benefit him as well.

The proposed measures on this bond election are necessary major improvements. They will serve as the foundation for a progressive and economically healthy city. The homeowner, businessman and wage earner, all have an investment in this City which can be greatly appreciated in value when these major improvements are completed in 1972.

Following is a brief descriptive account of the six bond measures:

MEASURE (A): Public Library ($400,000)

Measure A provides for the acquisition, construction and completion of a new public library. This will include land, building, site improvements, and other works, property or structures necessary or convenient for a new public library for the City of Campbell.

MEASURE (B): Streets and Traffic Safety ($1,045,000)

Measure B provides for the acquisition, construction, completion, and the improvement of the City's streets and traffic safety system. The program includes street lights, traffic signals, easements, rights-of-way, pedestrian overcrossing, curbs, gutters, sidewalks, street improvements to both minor and major City streets, and other works, property or structures necessary or convenient for the improvement of the streets and traffic safety system of the City of Campbell.

MEASURE (C): Service Center Improvements ($130,000)

Measure C provides for the acquisition, construction and completion of the existing City Service Center on land now owned by the City. This includes buildings, storage facilities for equipment, hoists, machinery and apparatus for housing and repair of city equipment and vehicles, and other works, property or structures necessary or convenient for the improvement of the existing City Service Center.

MEASURE (D): Fire Protection ($345,000)

Measure D provides for the improvement of fire protection services of the City of Campbell. This includes acquisition of land for fire station sites, construction of buildings, training tower and appurtenances to be known as Fire Station No. 2 on land owned by the City on Sunnyoaks Avenue, fire-fighting equipment, furnishings and machinery, and other works, property or structures necessary or convenient for improvement of fire protection services of the City of Campbell.

MEASURE (E): Police and City Administration Facilities ($850,000)

Measure E provides for the improvement of police and city administration facilities, including land acquisition and new building to house the police and city administration offices, parking facilities, landscaping, and furnishings for such building, and other works, property or structures necessary or convenient for improvement of police and city administration facilities for the City of Campbell.

MEASURE (F): Park and Recreation Improvements ($850,000)

Measure F provides for park and recreation improvements, including acquisition of real property, grading, paving, landscaping, installation of sprinkler systems, playground equipment and recreational fields and facilities, community center building and furnishings, and other works, property or structures necessary or convenient for park and recreation improvements for the City of Campbell.

A property owner with a home assessed at $17,000 market value could expect a maximum investment of $17.00 per year to retire the $3,600,000 bond issue for the six measures. This represents less than $.05 per day, as compared with 35 cents for a package of cigaretts, 30 cents for a loaf of bread, and 49 cents for a half gallon of milk.

Your local city government is responsive to your needs and desires. As an individual citizen you may find it difficult to voice your ideas or criticism to your elected officials. Here is an opportunity to vote on a bond proposal which will actually be an investment in the property or business which you own.

Build a solid foundation for your investments in Campbell - Vote YES on all six measures October 24, 1967.

Or we really are in trouble.

DESPITE the fact that we have mentioned in this column countless of times, that news releases from various agencies etc. flood our desk week after week and considerable time is spent in "culling" valuable tidbits from the flow, it must be admitted that it is sort of fun, in a time-consuming way, to separate the sheep from the goats.

Something comes along generally to break the monotony.

One missive this week, for example, was directed to the "jazz editor". It was promptly routed to Grace Hebard's desk. We are not sure that Grace appreciated such a distinction.

But who else on our limited staff was qualified for such a title?

Maybe we should have saved it for our compatriot, Jose Stell, of the Merc. He's a real pro in that field.

-0-

SOME OF YOU, with longer memories than others, might recall that a few weeks ago, we were accused of being "frivolous", "facetious" and far from humorous when we carried on in this column about the vested interest we smokers now have in the city and state fiscal picture.

It involved that extra tax now levied against smokers which was apparently needed to "bail out" the state and cities. We concluded that now was not the time for us to quit smoking.

One party wrote that she didn't see the humor in our column and noted that smoking was the first step on the road to moral decay.

Another person called later and suggested that we could be helped by attending an anti-smoking clinic. Others even farther on the downgrade than we were, had been helped by such clinics, it was emphasized.

Somehow it gets you right here to know that one is not past saving.

-0-

"LITTLE SQUIRTS" when used by City Council members at a recent meeting did not pertain to small-sized youngsters.

Mayor Ed Rogers and Councilman Bill Smeed simply were wondering if the fountain at the city's walnut-tree park at the railroad couldn't spout forth with a bigger flow of water than has been the case.

Ed and Bill thought that the "little squirt" should grow up.

-0-

AS HAS BEEN NOTED, the City Council has frowned on the suggestion of the County Health Department for two garbage pickups per week to combat the fly menace.

Twice-a-week pickup service would cost the householder just twice as much as he pays for the current once-a-week service.

Council members felt that was too high a price to pay for inconclusive results.

It was suggested that the householder could help the fly situation just as much by using sprays and being certain the covers are on tightly.

Those are good suggestions and should be followed.

Admittedly getting a tight fit for a cover on a bent can presents a problem that will probably never be solved until the garbage people quit banging the cans around.

And don't hold your breath waiting for that.

Besides what would you do, if their noise didn't wake you at those ungodly hours?

Incidentally one of our readers called to offer the solution to the problem.

She said that since she started breaking up large moth ball crystals in the cans, the flies have taken off completely.

We pass on her suggestion, as a public service.

The City Council accepted the citizens recommendation unanimously.

The additional $400,000 issue (Measure A) for the county library was developed under a county-city agreement. The city will build the library facility and then lease it to the library district. The lease payments will amortize the investment and thus will have no affect on the overall tax base.

NECESSARY

Scott will touch on the needs for the capital improvement bond issue as a necessary step to build a firm foundation for private investors.

Cary, an IBM executive, headed the parks sub-committee of the study group and now is working with Scott on community relations. He will explain the overall bond program. One of the measures on the ballot (F) includes $850,000 earmarked for parks development mainly for the expansion and improvement of the city-owned Rincon Park site. The report of Cary's park unit was also adopted by the City Council after the entire citizens study committee had approved it.

LIAISON

Police Chief Morgan has been named as the liaison between the city and the citizens group. He will explain tomorrow what the bond issue means to the city employees.

Other phases of the bond issue includes "Measure B", streets and traffic safety, $1,045,000; "C", service center, $130,000; "D" fire protection, $340,000 and "E", city administration-police facilities, $835,000.

They will be discussed by the other members of the "backfield", Weymouth, a local investment counselor, (who headed the street subcommittee in the study sessions) and Giorgianni, an insurance counselor, who was an active member of the study committee. He is finance chairman for the Campbell Citizens for Progress.

Reservations for the luncheon should be made by calling the C of C office (378-6252). Tickets are $2.

The C of C luncheon tomorrow will be the first following the traditional two-month summer "layoff".

It will also be the first general meeting to be attended by Len Edholm, new general manager of the C of C, who took office on Aug. 14.

NEW MANAGER

Edholm, who was manager of the industrial and commercial division of the Bakersfield Chamber of Commerce, was selected to replace Jim Duffield, who resigned on July 14 to accept the position of manager of the Desert Hot Springs C of C.

Before voting on the denial the commissioners took turns cricitizing the operators of the service station for disregarding the original plans that had been approved by the city. They noted, for example, that signs had been painted over the windows as well as billboard-type signs erected.

Originally Hogan explained that a huge garish billboard sign that had nothing to do with the service station operation had also been on the service station property.

This sign had been removed, Hogan noted.

But, he added wryly, it had been relocated just one foot north and within the city limits of San Jose. That city had approved it.

it increased to 11,716 by the second week, it was still below the top enrollment for last year (coming in October) of 11,743.

The superintendent also reported that the trustees had increased the minimum teacher's salary from $5,725 to $6000 and the maximum from $11,450 to $12,000.

The board also has authorized that a health insurance program for all employees be established in the district.

The basic reason for the enrollment figures leveling off for the first time in almost 20 years, school officials maintain, stems from the decrease in building activity in the area last year.

OTHER ITEMS

On the agenda next Monday night will be communications from residents concerning traffic and other problems.

Tony Van Laarhoven, principal of Hazelwood School, representing both the parents and the school staff, has requested that an adult crossing guard be placed at the intersection of Budd and Virginia.

In a separate letter, Mrs. Edwin Johnson, 365 Sobrato, has made the same request.

Police Chief John Morgan, as well as Bill Wren, traffic engineer, will probably be asked to investigate and report before any council action is taken.

In another letter, a group of residents on McGlincey Lane, including Mrs. A. Mandell, Mrs. Lehman Ring, Mrs. Wanda DeMello, Mr. and Mrs. Jerry E. Smith, Mrs. Larry A. Poscano and Mr. and Mrs. K. Mendonsa, are protesting the noise caused by cars leaving the drive-in theater, rubbish that theater patrons leave along the road and the apparent lack of adequate police traffic control on the streets.

One of the highlights of next Monday's meeting is expected to be a presentation by Bill Hedley, local architect who is developing plans for the proposed city administration-police facility that is part of the bond issue to be voted on Oct. 24.

Hedley will present the basic concept of the proposal illustrated by preliminary drawings. He also showed the plans at the Planning Commission meeting on Monday.

ZONING ACTION

On the agenda also will be a zoning matter involving the request of Mr. and Mrs. Harold Olson involving three lots on Winchester Blvd north and east of high school property and south of Latimer.

Through their attorney, John M. Chargin, former Campbell mayor, the Olsons had requested the Planning Commission that the present R-1 (residential) zoning be changed to commercial.

But while agreeing that residential was not the proper zoning for the property, the five commissioners present at the meeting disagreed over what zone was right.

Three commissioners, Dean Chamberlin, Merrill Grim and Jack Healey, opposed the motion by Kel Young and seconded by Thayer Lyons approving commercial zoning (C-1-S) as requested.

In turn, the same three commissioners approved changing the zone to P-O (professional office) with Young and Lyons dissenting.

Next Monday night the council must act on the same question.

But it will not be in the form of an appeal, because a change in zone was recommended. Only a majority of the council thus will be needed to override the commission's action. On an appeal four-fifths vote is necessary.

Linda Gross is bride

MR. AND MRS. DAVID ALLAN BUCK

The beautiful Temple Emanuel in San Jose was the setting for the marriage of Linda Merle Gross and David Allan Buck of this city. Rabbi Sidney Axelrod officiated at the nuptials before an assemblage of friends and relatives.

Linda was lovely in a gown of silk organza featuring a lace bodice and watteau train. A matching lace band held her silk illusion veil and she carried a cascade arrangement of Amazon lilies and bouvardia.

Nancy Cooper was the Maid of Honor and Bridesmaids were Misses Janet Lister, Avis Fedge, Sherry Buck, cousin of the bridegroom, and Leslie Taylor, niece of the bride. All of the attendants were dressed alike in pink corded silk and carried bouquets of sweetheart roses. Richard E. Buck, served as best man for his brother, and ushers were Ribhard Gross, brother of the bride, John Aflague, Gordon Kubota and Don Brissenden.

Several shades of pink were used in the decoration of the reception hall.

The bride is the daughter of Mr. and Mrs. Stanley Gross of Los Altos and the granddaughter of Mr. and Mrs. Jack Silverman of Palo Alto. David is the son of Mrs. Earl C. Buck and the late Mr. Buck of Campbell. He is the grandson of Mrs. Nora McCammond of Campbell. He has two brothers, Richard E. Buck and Dr. Wayne Buck, all of Campbell.

A common interest in music had a great deal to do with the betrothal and marriage of the young couple, as both are music majors at the University of Washington in Seattle. Linda is a fine pianist and David is studying conducting. David graduated from Campbell High School and the University of Pacific, where he was a member of Phi Kappa Tau. Linda also graduated from Pacific where she was a member of Delta Delta Delta sorority.

The newlyweds will continue their studies at the University of Washington and will make their home in Seattle.

New Head Start program here

The Federal war on poverty will open a new phase in the West Valley on September 26. This is the opening date for a Head Start program, to be housed at St. Lawrence Episcopal Church, Campbell, involving sixteen children from low income families in the West Valley area.

Head Start is a program of pre-school study so as to better prepare the culturaly deprived to enter Kindergarten. The children will attend five days a week, from 9 a.m. until noon, September through May.

Garden club prepares for art-flower show

The first meeting of the fall season of the Campbell Garden Club was the September Horticulture Exchange. Many a friendship garden has been started as a result of this first meeting, when members bring their plants, cuttings, bulbs and seeds to the Fireside Room of the Campbell Congregational Church.

Other business discussed at the meeting included recognition of second place for Campbell Garden Club among the gardens at the recent Santa Clara County Fair, with a first place going to the Camp-Belles, the high school garden club sponsored by the senior group.

Mrs. Richard Conway presented her report on the combined flower and art show to be presented by the Garden Club and the Campbell Artists Guild Sept. 29-30. The show will be held in the Community Gallery of St. Lawrence Church, 65 W. Rincon Ave., Campbell.

This Standard Flower Show is open to the public. Advance entries are required and registration closes Sept. 22. Telephone registrations will be accepted at 379-0723 or 379-4217. Rule books are available at Will John's Gift Shop, 24 E. Campbell Ave.

The show will also feature "Art-in-Action", with both clubs presenting demonstrations. Programs are scheduled both days between 1 and 4 p.m. There will be no charge for admission. "Transition in Art" will be open from 10 a.m. to 8 p.m. on Friday, Sept. 29 and Saturday hours, Sept. 30, are from 10 a.m. to 4 p.m.

Opera company auditioning for new production

The San Jose Light Opera Association announces that due to technical and production problems, it has replaced "Song of Norway" with the Broadway hit "OLIVER!". "Song of Norway" will be rescheduled as the winter production to open February 3, 1968.

Anthony B. Moyer, Production Executive, announced that auditions for "Oliver!" will be held at the Light Opera's building (458 A Willow St.) on Thursday and Friday, Sept. 21-22 for singers, actors, and dancers beginning at 7:30 each evening. Anyone interested in lead or chorus roles is urged to attend one of these two auditions.

Tryouts for the many children's parts will be held on Saturday and Sunday, Sept. 23-24 at 1:30 p.m.

The production of "Oliver!" calls for a large cast of forty people. Over twenty of the cast are to be selected from high school and younger people. Anyone wishing further information about the auditions may call the Light Opera Administration Office at 286-8534 during the day.

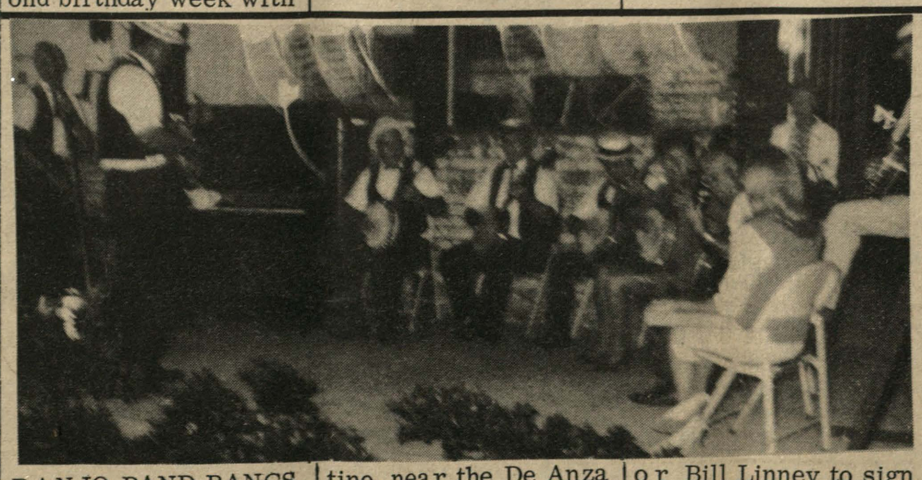
BUSY SAMARITANS--Noel J. Brown of Campbell, secretary of The Good Samaritan Hospital of Santa Clara Valley board of trustees (right) compares notes of plans for the hospital's second birthday week with the Rev. John Stokes of Saratoga and Mrs. Evelyn Beer of San Jose, a member of the Auxiliary. The hospital opened in September, 1965. The anniversary will be marked with a seminar for ministers on Thursday morning, a coffee hour for employees, staff and volunteers Friday afternoon, and "Good Samaritan Hospital Sunday" on September 24.



BANJO BAND BANGS AWAY--Pictured above are members of the Cupertino Banjo Players Band, having a gay time at the Straw Hat Pizza, on Campbell Avenue last Friday night. The occasion was a gala celebration of the announcement of a new Straw Hat Pizza to be opened in Cupertino, near the De Anza College.

Ward Pinther, proprietor of the Straw Hat Pizza in Campbell announced that auditions for Amateur banjo, wash-board, gut-bucket, or-what-have-you players, will be held by the Cupertino Banjo Players Band, every Monday night at 8 o'clock. (See either Ward or Bill Linney to sign up).

Pictured above, from left to right: Chuck Rachels, John Woodruff. Elmo Nemar, Glen Atkinson, Bill Harvell, Merle Petersen, Pearl Nicolino, Sam Small and Gwen Woodruff.

Standing at the rear: John Robertson, front left: Steve Sedlak.

Anti-rabies clinic open

A special invitation is issued to Campbell women who are college graduates to join other prospective and active members of the San Jose branch of the American Association of University Women at their annual member-tea on Saturday, September 23 at 2 p.m. at Leininger Community Center, Kelly Park.

Greeting the members at the event will be Mmes. C.M. Baughman, President and Earl D. Osborne, Membership chairman.

Featured in the afternoon program will be a talk by one of the members of A.A.U.W. who is a member of the San Jose Unified School District Board of Education, Mrs. Harrison W. McCreath. Mrs. McCreath will speak informally on "Committed or Cool."

Several Campbell women are holding offices in the coming year. Mrs. William D. Mette, Jr. is recording secretary, Mrs. J.E. Gibson is on the building committee. Mrs. Robert C. Sneed, Jr. is editor of the Bulletin and Mrs. Donald Heising is in charge of the general meeting programs.

Chairman of the tea is Mrs. Forrest Funk. She is being assisted by Miss Harriet Evans, refreshments; Mmes. Orlin Jacobsen, decorations; George Praisewater, serving; Noel J. Robinson, hostesses; Milton Pace, name tags; Harry A. Power, Jr. guest book; and Robert A. Allen, publicity.

College graduates who are interested in attending the tea or applying for membership may contact the membership chairman, Mrs. Earl D. Osborne at 266-5548.

PLAN MEMBERSHIP TEA--Campbell residents Mrs. George Praisewater and Mrs. Robert Larson go over plans for the annual membership tea of the San Jose branch of the American Association of University Women on Saturday afternoon Sept. 23 at Leininger Community Center, Kelly Park.

Woman's Club season opens with luncheon

Prospective members will be guests at the Campbell Country Woman's Club opening luncheon on Monday, September 25. Mrs. Dean Chamberlin, president, will give the welcoming address and the program chairman, Mrs. F. Albert Ellis will announce the year's program. Past Presidents will also be honored at this first meeting of the year.

Guest speaker will be Dr. Phil Barrett, pastor of the First Presbyterian Church of San Jose. Musical entertainment will be provided by Mrs. Richard Fields, soloist, accompanied by Mrs. David Sanders. Theme for the 1967-68 club year is "Enlighten Your Own Pathway".

The Country Woman's Club of Campbell is affiliated with the California Federation of Women's Clubs, Loma Prieta District. Organized in 1905, the club is the oldest women's social and cultural group in the city. According to its by-laws, the purpose of the Country Woman's Club is to increase kindly fellowship, encourage high thought and free speech upon all matters of general interest; foster worthy talent in our midst; to aid community and educational projects with particular emphasis on the development and staffing of the community Cultural Center.

Officers of the Country Woman's Club are Mrs. Dean Chamberlin, president; Mrs. William E. Cave, first vice president; Mrs. C.W. Shockley, second vice president; Mrs. R.L. Dodge, corresponding secretary; Mrs. William O. Fuller, recording secretary; Mrs. Charles K. Gerber, treasurer, Mrs. Anthony Jurras, Mrs. J. L. Anderson, directors-at-large and Mrs. B.H. Howe, parliamentarian.

PLAN YEAR'S ACTIVITIES--The program for the 1967-68 club year is discussed by members of the Board of Directors of the Country Woman's Club of Campbell. Pictured (left to right) Mrs. C. W. Shockley, second vice president; Mrs. William Cave, first vice president; Mrs. Anthony Jurras, director and Mrs. William Fuller, recording secretary.

UNDEFEATED SEASON--Shown above is the swim team of the Cloverdale Cabana Club which completed their season on Labor Day with a 185 to 80 win over Pinehurst Cabana Club of San Jose. The Cloverdale team coached by Ed Northup and Paul Waggoner of Campbell had an unblemished record of 6 wins and no losses for the season. Coach Northup was instrumental in inaugurating swimming competition between local Cabana Clubs this summer and the program met with great enthusiasm.

Well, the first week of school has begun and the smiling faces of the Freshmen fill the halls.

On Monday, Sept. 11, all students went to their assigned designations to get their schedules. There they were introduced to the fall semester councilmen, Tim Sapp, John Brydon, Eric Washington, and Don Fox. Our Student Body president is Mason Sax, Rocky Fagundas, vice president and Chuck Hawthorne, secretary. Hank Oltmann is student manager and his assistant is Craig Mienhold.

The Cheerleaders and Song Girls held their first Rally for the Freshmen. The Cheerleaders were full of spirit but the Freshmen were a little shy at first, but after a few cheers they were raising the roof.

During the rally Mr. Russell Fowler, Freshman Counselor, spoke of the upcoming class elections and he urged all students interested to run. Mr. Robert Culp, principal, also spoke. He said this was the largest Freshmen class to come to Campbell in many years and he wished them an enjoyable high school career.

The Varsity Cheerleaders showed up in new royal blue uniforms with scarlet blocks and trim. They are Leesa Nickeson (head), Debbie Lowe, Loretta Magnasco, Nan Hefte and Alice Holtorff. The Frosh-Soph Cheerleaders are Mary Nelson (head), Kay Davis and Theresa Wheeler.

The Song Girls wore bright red, white, and blue uniforms and carried navy blue pom poms. They were full of pep and looked ready for the new year. They are Jan Maryuma (head), Kathy Bumstead, Lisa Murray, Carolyn Melvin, Linda Kuhns and Penny Knight.

Our first game is next Friday with Lincoln at Lincoln. It is a non-league game. Kick-off time is 3:30. Our first League game is with the Westmont Warriors. We are expected to come out victorious.

Last Friday night at 8:00 the "Checkerboard Square" sounded off for Campbell's Welcome Dance. The band was great and everyone had a ball.

Student Body Cards are on sale now. Students are urged to buy one. You can get one from your councilman or at the Treasure Chest. Buy yours now.

Legion slates pot-luck supper

West Valley Post 158, American Legion, has set aside Friday, Sept. 22, to honor West Valley area students and their parents for the student participation and parental support of Boys' State and Girls' State. Students to be introduced will be Timothy W. Sapp, Campbell; Bob Negandank, Los Gatos; Carol O'Bill, Los Gatos; Michele Ungaro, Saratoga and Beth Wilderman, Campbell. A pot luck dinner will be served at 6:30 p.m.

The Legion now has 99 paid up members, including ten new members. All Legionaires, Auxiliary and guests are invited to inspect the new color scheme at the Legion Hall. This includes the walls, curtains and front windows.

Commander Dave Buchholz, Legionaire and Mrs. Rex Kaber, and Mrs. Harold Rinehart attended the 13th District meeting. Much information was disseminated, including the fact that Mayfair Post 791, in East San Jose, has 125% paid up membership.

Post office launches campaign to put new ZIP into mailing

Campbell residents will have an opportunity to easily put ZIP into their mail in late September, according to Postmaster Jim Hurley.

During the last half of September, the post office will deliver to every householder a kit of eight postal cards which can be mailed back to the post office with addresses needing ZIP Codes. Each completed card will be sent to the post office which services the "zipless" address and the proper code will be added before the form is returned to the sender.

No postage will be needed on these cards.

Each of the eight postal cards in the kit will contain a message encouraging the general use of ZIP Code. There will be a ninth card of instructions. All will be folded together like a closed accordian. There will be perforations between each form. In addition, another separate card will be delivered along with the kit which is a reminder of the local ZIP Code.

Last year approximately 4000 addresses were ZIP Coded by the Campbell Post Office as part of a similar program using only one (or two) cards with spaces for as many as 13 addresses, Postmaster Hurley said.

Nationally, about eight addresses per card were returned during the 1966 project.

The unit cost of entering the code onto each card will be less than the system used in 1966 because no look-up will be necessary. Every card in the final post office will need the same code, so an inexperienced clerk will be able to simply stamp it on the card and send the form on its return journey.

On an average day, between 175 and 250 million new pieces of mail enter the postal system. It is not expected that more than 10 million of the ZIP-A-LIST cards will be in the system at any one time during the peak periods of mailing. Since they will be handled essentially as ordinary postal cards, there will be no burden or dislocation of service.

"The ultimate result will be an improvement in service," Postmaster General Lawrence F. O'Brien has said about the project. "ZIP Code is the base upon which the modern postal service is being built. But, it won't work, and the modernization and efficiencies ZIP Code will bring cannot go into effect until there is more widespread usage of the five-number code.

"The ZIP-A-LIST project is the most dramatic aspect of our continuing campaign to make ZIP Codes readily available to the public."

Last year, approximately 17 percent of the nation's householders returned 96 million addresses for coding. The Postmaster General reported that many postmasters had informed the Department that the ZIP-A-LIST project was an important aspect in making Christmas mailers aware of the importance of using the codes on their holiday mail and, as an off-shoot, encouraged early mailing of their gifts and cards. This resulted in the most successful holiday season in recent postal history.

Extra kits will be available at the post offices.

Sen. John Tower speaks at W V College Sept. 26

U.S. Sen. John G. Tower (R-Texas) will open the 1967-68 lecture series at West Valley College with a speech at 8 p.m. Tuesday, Sept. 26 in the college auditorium, under the auspices of the Office of Community Services. Free tickets may be obtained by calling that office at the college, 379-1733.

He is the first Republican to represent the State of Texas in the U. S. Senate since Civil War Reconstruction days, and has been an active, progressive conservative, outspoken in his advocacy of fiscal responsibility in government; preservation of a state and local voice in the affairs of government; Constitutional equal opportunity for all Americans; domestic law and order; and firm opposition to Communist aggression.

Tower won a special election in 1961 to fill the seat vacated by Lyndon B. Johnson upon his accession to the vice-presidency, to become, at 35, the youngest member of the Senate at that time. Today, 41 years old, he is still the second youngest member of that august body.

In 1966, he was reelected with 57 per cent of the vote, and is currently serving on three major committees--Armed Services, Banking and Currency, and the Joint Committee on Defense Production.

ON CAPITOL HILL

with "Charlie" Gubser

The United States Senate has come to grips with the difficult and touchy question of campaign financing by passing a bill requiring complete revelation of all campaign expenditures in both general and primary elections and removing unrealistic ceilings on campaign spending.

Under present law, primaries, which actually amount to a final election in many southern states and which result in very heavy spending in other states, are exempt from reporting requirements. But the primary is a very important part of the elective process and expenditures in such campaigns should be public knowledge. The present law is also farcical in its restriction of the amount a Congressional candidate can spend to three cents for each vote cast in the last general election or a maximum of $5,000. When one considers that television spots average about $100 each, a very modest political advertisement in each of the district newspapers costs more than $1,000, and one mailing costs almost $10,000, it is easy to see how ridiculous such a limit is. So, both parties follow the practice of forming committees which spend campaign money, thereby allowing the candidate to stay within the legal limit. This is proper and legal, but, in my opinion, rather ridiculous. If enacted into law, the Senate bill will remove this useless "ceiling" and require a full disclosure instead.

Personally, I would like to see the Senate bill go much further. Each candidate for federal office should be required to designate a committee or financial organization to handle all funds connected with the campaign and should not personally handle political funds. I have always followed this practice and find it is no disadvantage whatsoever. Such a rule could do much to improve public confidence in political campaigns.

Though I do not believe a public servant should be required to assume the burden of proof of his innocence and have his privacy invaded by requiring revelation of his purely personal financial affairs, I do believe he should completely reveal all financial transactions which are concerned with his official status. Campaign contributions, honorariums for speaking engagements, writing for which he is paid a fee, receipts from testimonial dinners, and every other financial transaction which is connected with campaigning for or holding office should be completely revealed. In the few cases which have occupied the headlines, most of the wrong-doing has been connected with this type of transaction. A requirement for complete revelation could prevent future cases like that for which Senator Dodd was censured.

Public office is indeed a public trust and the Congress has a responsibility to place campaign information squarely in the public spotlight. As one who has been following such a practice throughout seventeen years of public life, I can state that it has not hampered me one iota in my political pursuits. It won't hurt the Congress, but it will certainly help its public image.

Frank Klein's father-in-law dies in Alaska

Mr. and Mrs. Frank Klein, 172 Branbury Dr., Campbell have returned from Anchorage Alaska, where they attended funeral services for Mrs. Klein's father, Oscar Copley. The Copley's had visited here earlier this year. Klein is a member of the Campbell Planning Commission.

Copley succumbed Aug. 27 of a heart attack. He was 60. He had been a resident of Alaska since 1953, where he was building superintendent for The Chemical Corporation. He was overseeing the construction of a new plant on the Kenai Peninsula at the time of his death.

In addition to his widow, Mrs. O. L. Copley, and his daughter, Mrs. Klein, Copley is survived by another daughter, Mrs. Florence McMullen of Tucson, Arizona, and seven grandchildren.

Man is suicide

Campbell Police report the suicide of Verner H. Johnson, 50, whose last address was 1137 Shamrock Dr., San Jose. Johnson's body was discovered sprawled in his car parked in front of 473 April Way, Campbell. He had shot himself with a 7.25 caliber Russian rifle, according to police.

The victim's son, V. H. Johnson, Jr., told police that his father had a drinking problem and the family was in the process of having him admitted to a veteran's hospital for psychiatric treatment. The victim's wife, Ruth Johnson, resides at 487 April Way, Campbell.

Church speaker

Charles Runner, manager of the San Jose Farm Labor office will address the adult class of the West Valley United Church of Christ (Congregational) on Sunday, September 24. He will talk on problems related to migrant farm workers at 9:45 a.m.
